Get an Auto Loan... Get a Term Share Certificate...

**AT THE SAME RATE!**

Everyone wants to save more money. Very few of us find that to be an easy thing to do. That's why we are happy to introduce you to a new way to help you save. It's the DriveUp Savings Program.

It's really (really) simple. Just make your auto loan payments. **That's it!**

When you open an auto loan with us, just tell us you want the DriveUp Savings Program added. Then, we'll work with you to determine a monthly contribution amount into an account that features a savings rate **that is the same as your approved loan rate!**

With each payment, we'll apply the full loan payment amount and put the contribution amount into the special Term Share Certificate account. Just think of the savings you'll have by the time that loan is paid off! You could use that money for a down payment on your next car, a vacation, an emergency fund, or talk to us about the many other savings and investment opportunities that are available to you as a member.
